After eight years of operation in Temple City, Oasis Trilingual Community School opened its doors last week to its elementary campus in Monrovia. Located at 429 E. Wildrose Ave, Oasis is a non-profit, private school that offers trilingual instruction for students in grades TK-6. Oasis is expanding to 7th grade in 2023-24 and 8th grade in 2024-25. All students learn Mandarin, Spanish, and English.

School founder and parent of two Oasis alumnus, Tamara Hernandez, expressed her gratitude to the dedicated staff and parents of the community, "I am so excited to see our students having a great time at our beautiful new campus! This new location fulfills my long-awaited dream of giving our
